Our Mission:

“A community working together to achieve access to safe and affordable housing for all residents of Genesee County.”

I. Welcome and Introduction – Erika Humphrey

II. Emergency Preparedness—Jamie Lee Venable, United Way

There is not really a way to prepare for a true emergency. Jamie-Lee stated that what has worked for her, depending on the type of emergency, is to call and communicate with community partners. Identify key players, be ready to meet daily or as much as necessary. Come together as a small group and break down barriers. Start with people that you know that will be willing and able to get things done quickly.

We all come with the same purpose! We all come with the same mission! We all just want to get things done! When we come up against a barrier, you must use the relationships and already formed bonds with community partners. You must be willing to make adjustments on short notice.

Keep an eye out for information on an Emergency Response Subcommittee.
