**II. OLD BUSINESS:**

**A. Approval of July 2022 minutes:** [Minutes were approved](#)

**B. Governance Council update:** Essence Wilson gave the Governance Council update.

- The Grievance Workgroup is still meeting and working and hopes to have something to present in September for input, comment, and approval.
- Jim Hudgens has decided to resign from the Executive Council in his role as Vice Chair of Programs. If you know someone interested in filling in for that role, please contact the nominating committee.
- The Leadership Group (TLG) is still working on the Strategic Mapping Process. They have narrowed us down to key areas and now putting together focus groups. If you have gotten an invitation to be a part of a focus group, please be in attendance. There will also be other opportunities in the future to share input with TLG.

**C. Nominating Committee Update:** Greg Abler gave the Nominating Committee update. The slate for the IRT (Independent Review Team) will be presented today and should be ready to vote on at next month's CoC meeting. The Charter mandates that the IRT has from 5 to 9 members. Mr. Abler said it seems simple until you look at the eligibility requirements for IRT members. The IRT must be free of any conflict of interest. IRT members cannot be on the board or staff of an agency that receives CoC funds.

Everybody on the proposed slate has some knowledge in the key areas. The nominating committee ended up with 6 individuals on the slate. Egypt Otis, not in the CoC, owner of Comma Bookstore in Flint. Tiffani Wharry from Family Promise of Genesee County, Lisa Humphrey of Big Brother/Big Sister of Genesee County, Tryphena Clarke from Ruth Mott Foundation, Tarnesa Martin from Hurley Medical Center, and Sonyita Clemons. This is the slate to review. Contact the nominating committee with questions or concerns.

### III. OTHER BUSINESS:

#### A. MSHDA ESG FY22-23 NOFA

- Shelly Safi reported more agencies asked for additional funding than we have available. MSHDA ESG did come out with a total amount of \$261,763 which was a deduction of 4% from last year's award. There were 6 agencies that applied for funding.
- Angela Beaugard reported that we remained in alignment with prior year funding within the MSHDA parameters. The recommendation required all entities to adjust to the 4% percent funding decrease but continued with our aligned focus on Rapid Rehousing supports. Funded programs must be programs of organizational member in good standing. Members are expected to attend at least 9 out of 12 regularly scheduled CoC general membership meetings, to read all meeting materials, and to actually participate in discussions to ensure informed voting. The funding recommendations were presented to the general membership to be voted on.
- [RECOMMENDATIONS WERE VOTED ON AND APPROVED](#)

#### B. FY2022 CoC Program NOFO

Tracey Hurd reported that on August 1, 2022, HUD released the announcement of the FY2022 CoC Program NOFO, the due date for the FY2022 NOFO is September 30, 2022. The HUD SNAPs office is facilitating a NOFO Office Hours meeting tomorrow August 11<sup>th</sup>. More information should be available to share. Ms. Hurd reminding the group that if HUD does not relax the 30-day prioritization we will have to have everything completed and ready for prioritization by August 26<sup>th</sup>. Tentatively we will schedule the prioritization meeting for Friday August 26<sup>th</sup>. We will release the CoC Application (the narrative) as soon as it is made available. Your input is welcomed. Ms. Hurd stated that we will have to move quickly but she is confident we can do it.

#### C. FY2022 NOFO Unsheltered Homelessness

Ms. Hurd stated that this is due October 13<sup>th</sup>. We are prepared to complete the CoC Program NOFO then jump right into this and complete within two weeks. The MCD team has not fully studied the Unsheltered Homelessness NOFO, but Tracey briefly explained what they are looking for. Ms. Hurd stated that in our community the top reasons people choose not to go into a shelter or can't get into a shelter is, they have a criminal sexual conduct charge, they have some kind of mental paranoia, or they have a pet. Under sheltered increase capacity we can submit something for non-congregate shelter, which would be hotel-motel. We would talk to agencies and if agency wants to have that program just let us know. Stay tuned for more details.

Essence Wilson put a link in the chat to the Grant.Gov website. She stated that we should dive into the Unsheltered Homelessness NOFO and learn what the allowable uses are. There are some provisions as well for actual supportive services. Essence mentioned that we also have a population of folks with physical disabilities that are not able to go into shelters. We need to think more broadly and explore other reasons people refuse to go to the shelter.
